

PRAYER TO OUR LADY OF FATIMA

O blessed Virgin Mary, our Lady of Fatima,
Immaculate Mother of Jesus and ours,
God made you the giver of his graces,
Through the power of the Holy Spirit,
You gave birth to Jesus Christ, our Savior.

As your own children,
We thank you for your kindness,
And we rely upon your help,
Protect us against sin and evil,
Thus the whole world will have everlasting peace.

We entrust our church to your motherly care,
That She may be the Bride worthy of Jesus,
We hand over to you what we are and all we have,
Be always our advocate,
And strengthen us in faith, hope and love.

O Mother of great Mercy,
Help us all, your children, to come back truly to God,
And to be rooted in Christ,
That, guided by the Spirit of counsel and perseverance,
We may go forth on the way to heaven.
